Content

Founded in 1991, Mindray is a leading global provider of medical devices and solutions.

Firmly committed to our mission to “advance medical technologies to make healthcare more accessible,” we are dedicated to innovation in the fields of Patient Monitoring & Life Support, In-Vitro Diagnostics, Medical Imaging Systems and Orthopaedics, amongst others.

Mindray possesses a sound global R&D, marketing and service network. Inspired by our customers’ needs, we adopt advanced technologies and transform them into accessible innovations that bring healthcare within reach across the world. While improving quality of care, we help reduce its cost, making it more accessible to a larger part of humanity.

Today, Mindray’s products and services are serving healthcare facilities in over 190 countries and regions.
